## PRESIDENT'S MESSAGE

We are gearing up for Midsummer on June 23rd at the Alum Creek Sailing Club. We have several volunteers but can use other help...so please contact me or Michael Lindner with offers to help.

We are also planning for 2018-2019. The theme for this year is to implement Uncovering our Future. I have asked Ake Hellstrom and his committee to implement the planning that his Scandi-18 committee shared with us this year. "Rejuvenate, Modernize and Simplify" are the goals with specific steps and a proposed timeline. You are already beginning to experience the Integrated Club Management Tool for membership, payments, finance, events and communication. This will simplify and assist the Board to implement changes and adapt to new methods. It will help the Club improve community awareness. We will need input and buy-in from you, our members, and members-to-be, for our new approaches. As we settle in we will update our By-Laws and constitution to conform to our operations and needs. Hold onto your seat as we move to a fun and better future.

Board members and activity leaders are another need for this year. Dale Svendsen, Linda Eriksson, Roger Krogwold, Michael Lindner and Ake Hellstrom have agreed to continue in leadership Board positions. New younger member, Carolin Engemark, has agreed to join us. Carolin recently moved to Columbus from Sweden with experience in marketing and communications. We have not identified roles....and definitely welcome others to assist or join us as we manage the Club and move into the future. Please feel free to contact any of us to help with activities, ideas, communications and more.

## MEMBERSHIP RENEWAL

Time for membership renewals for 2018-2019. Renewal form available at website. Look for electronic options at Midsommar event.

### Membership Directories are available.

At the March 10th meeting membership directories were available for pickup. A PDF version will be emailed to all. If you would like a hard copy, contact Dale Svendsen at 614-486-8609.
